

General Conditions for Rental

Every demand for a rent which has been done on the website, by post or email is the constituting of a contract finalized at distance, and necessarily implies the acceptance, without restriction nor reserve, from your part, of the hereby conditions.

The eco participation (0,20€/person/night) and the tourist tax (0,55€/adult/night) have to be added to the amount of your stay. The amount of the deposit is equal to 25% of the total of the stay + 14€ of administrative costs. When we receive your deposit, the camping will send you a confirmation of your reservation. You must pay your balance 30 days before your arrival for the stays from the 01/07 to 31/8. For the other dates, the payment will be done the first day of your holiday. On your arrival day, a guarantee of 170 euro will be asked from you (100€ for the mobile-home and 70€ for the cleaning). None anticipated departure or delay to your arrival will be refund.

Notice that the campsite does not accept debit or credit card

The guarantee will be returned to you on your departure after an inventory of fixtures, unless we notice any deterioration. The cleaning shall be borne by the tenant. At the end of the stay, the location must be perfectly clean; otherwise, a 70€ financial contribution will be deducted from your guarantee. If the tenant wishes to leave by night, the inventory of fixtures will be done without them and the guarantee will be returned to them on the following week.

During the high season (from 1/7 to 31/8), the arrivals are on Wednesday or Saturday from 3pm (15h) and departures on Saturdays or Wednesday before 10am. During low season, we can adapt to your schedules according to availability.

The access to the accommodation might be refused in case of disruptive behaviour from a client, which is against the peace and serenity of our camping.

Pets are strictly forbidden inside the mobile-home
